

**Systems Integration
&
Management, Inc.
(SIM)**

Incorporated in September 1993, SIM is a Small Business Administration certified Minority Owned 8(a) Company.

SIM has a highly qualified team of personnel with extensive experience in U.S. Navy combat and C4I system acquisition, engineering, logistics, and installation support. Our expertise in implementing processes for resolving programmatic and technical issues provides a valuable resource to our diverse client base. Since its founding, SIM has become a rapidly growing company through the application of sound fiscal controls and management procedures that provides its clients with on-time delivery of high quality, cost effective professional services and products. Additionally, SIM maintains working agreements with a wide range of highly qualified and specialized consultants. SIM clients include:

Fleet Surveillance Support Command, Chesapeake
Naval Sea Systems Command, Washington
Naval Surface Warfare Center - Dahlgren Division
Naval Surface Warfare Center - Port Hueneme Division
Space and Naval Warfare Systems Center, Charleston
Space and Naval Warfare Systems Command, San Diego
White Sands Missile Range, New Mexico Facility
Numerous clients under the SIM GSA FSS contract for
General Purpose Commercial Information Technology
Equipment, Software, and Services
Synelec USA
Signal Corporation
